to them. Seeds were procured on the understanding that the growers would receive payment only after the two Institutions have been able to market the seeds. Government have not decided that these latter growers could be paid an initial sum of Rs 50 per kg. This would mean that the State Government have yet to pay Rs. 65 lakhs to about 1000 growers. It is expected that these Rs. 65 laksh would be paid to the growers after realisation of the Sale Proseeds. Government are also considering further borrowings by the two Institutions from the Commercial Banks under a Government guarantee.
